University Transfer: UCF

The Associate in Science degree in Criminal Justice Technology is designed to provide a solid foundation upon which students prepare for the analysis of social and human problems necessary for functioning within the criminal justice system.

This is the sequence of courses for students interested in Criminal Justice. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an AS degreeⁱⁱ. Courses that complete the degree are listed below. As always, visit your academic advisor each semester to help keep you on track for graduation.

All AS degrees must satisfy the statewide Civic Literacy requirement for graduation. Please see the [catalog](#).
