## ADVANCED DEFENSIVE TACTICS #1405 40-HOURS

### Course Description

This is a 40-hour specialized training program. This course is designed to expand on the foundational techniques taught in the basic recruit curriculum. Students will be provided with advanced-level techniques for restraining or arresting individuals. Utilizing both real-world scenarios and instructor-developed scenarios to enhance an officer's ability to assess threats and apply appropriate, effective defensive tactics.

Students should be ready to learn new control tactics and bring all normal-duty gear (**NO firearms, knives, etc.**) and a mouthpiece. All other safety gear will be provided.

To reserve a seat, complete the Training Authorization Form and email it to [AdvancedTraining@fgc.edu](mailto:AdvancedTraining@fgc.edu).

**NOTE:** This course is scheduled on two sets of Fridays and Saturdays, March 27&28, 2026, and April 3&4, 2026.
